THANKSGIVING GATHERING

The Thanksgiving gathering for the carry-in supper was a good time for all. There were about twenty-five to thirty people who attended the dinner. Trustees and members alike enjoyed the food and company and drinks. There was a stone left at the springhouse for Don Richards to mount in the wall of the Lacy Springhouse for all the work and time he has put into it, dedicating it to him.

The village trustee's donated to the park's purchase of a "mule", which is an all-terrain vehicle that the park will make very good use of it. **Thanks to Rose Bailey and her family** for all the work that they do for the village. We also want to **thank all the musicians, crafters, volunteers, and members** for there support and help this past year for without them it would not have happened.
